# Microsoft at University of Toronto

## Tech Talk: Meet Bobby Choi

### A Senior Software Development Lead in Test from Microsoft

Where: Bahen Centre for Information Technology, room 1180

When: Wednesday, October 9th

6-8:00pm

Bobby has been working in the Software industry for 16+ years and with MS for more than 5 years. Come find out why he is excited to be part of the MS innovations changing the world and the passion that results from working with incredibly smart and talented people at Microsoft. Bobby will be showcasing what a day in the life of a Software Development Engineer in Test is like at Microsoft and why it is the coolest job around."
